Zense HacKnight 2k19 Project Report.

Project: single player ping pong game.

How to play:

1. Open index.html
2. Use touchpad/mouse to control the (left) paddle in the same direction.
3. Press "p/P" to pause the game.
4. Press "r/R" to reset the scores and not the game.
5. Tap/Click to activate sounds.

Note: Adjustments in the gameplay are made to normalize the scores between the player and computer.
